15th Annual Golf Classic Hole Sponsorship
June 5, 2011

I am writing to ask for your support as a hole sponsor at the 15th Annual Golf Classic in support of *Michigan From The Heart*, to be held at the University of Michigan Golf Course on Sunday, June 5, 2011. *Michigan From The Heart* has served as an inspiration to both University of Michigan student-athletes and the pediatric patients and families of C.S. Mott Children's Hospital. On Thursday evenings, *Michigan From The Heart* arranges visits to the hospital by student-athletes who offer a welcome distraction by spending time with patients and families. Patients are then given the opportunity to watch the athletes in action by attending University of Michigan sporting events as special guests of the team. They even meet the players after their games for photos and autographs. *Michigan From The Heart* provides further support to these children through their contributions to the hospital's Child and Family Life department.

The funding to support this program is raised primarily through an annual golf outing, in which 144 golfers participate. Hole sponsorships are available at four contribution levels: \$250, \$500, \$1,000, and \$2,000 and up. Sponsors are recognized at the event with a customized sign posted at a designated hole, at the banquet that follows, and throughout the year on the *Michigan From The Heart* website. *Michigan From the Heart* is a 501(c)(3) charitable organization operated entirely by unpaid volunteers. Your entire donation will be used to fund activities that provide the patients and their families with memorable experiences that might seem out of reach during a difficult time.
